<b>Harbor Master:</b>	<a href="mailto:cdt@portppt.pf">cdt@portppt.pf</a>	or + 689 89 71 84 47

## ACCESS CARD

Persons seeking access to a Restricted Zone must hold their own Maritime Security Identity Card or be escorted at all time by maritime agent, additionally they must have completed the terminal induction processes prior to their admission.

## VISITOR

No visitor will be permitted access to the site or vessel, unless prior notification in writing has been provided by the PFSO or Master (24 hours in advance to Facility Management). All visitors must have an identity card.

Where no prior advice is received, and the vessel seeks for the visitor(s) to gain access, the Ship Security Officer will be required to confirm the identity of the visitor(s) at the main gate and escort them to and from the vessel.

Visitor must park their vehicles in the site car park outside of the port facility.

## SHIP'S CREW

The ship's Agent shall provide a full list of crew member, that information will ensure the minimum of inconvenience to you and your crew when seeking exit from and re-entry to the site.

If this document is not received by the site security, it will delay exit and entry to the site whilst the Ship Security Officer is called to the main gate to verify persons.

## EMERGENCY SERVICES

### **Fire, ambulance, police and pollution**

When emergency services are required:

- Call marine traffic operator on channel VHF 12
- Or PFSO cell phone 89 76 32 49
- Or Deputy Harbor cell phone 89 75 93 91

The PFSO will inform the facility security guard at the gate that there is an emergency on your vessel and to allow access to the service.

## SHIP PROVISIONS

All stores deliveries must be pre-advised and your duty officers must liaise with operational staff to ensure that they are provided a safe area to work whilst receiving and loading the stores that does not place the supplier or your crew risk during our operations.
